Pre- ACT Testing News

The Pre-ACT will be given to all 10th graders or 2nd year students at GHS on Wednesday, Sept. 19th on Collaborative Planning Day. This is a precursor to the ACT test they might take during their 11th grade year but does not contain the writing portion. We will communicate with students through their Crew Leaders to ensure they have the information about testing times and locations. If you have any questions about testing, please contact Elizabeth Abbott at 821-1900.

Any junior or senior, regardless of where the ring was purchased, is invited to participate. If you bought your ring from Jostens, then you will receive your ring that night.
